The Illumined Path

Discover the Light Within Through Dreams and Mental Imagery

The Invisible Reality is the unseen source of wisdom, guidance, and direction for your life. Guidance is received through Dreams, Mental Imagery, intuition, synchronicities, and the living world around you.

The heart of this retreat is developing a living, trusting relationship with the Invisible Reality, learning to receive messages, understand them, and bring them into daily life.

Through Dream Work and Mental Imagery, you will learn practical ways to open, receive, understand, and act on the guidance available to you.

Dream Work

Dreams are a personal language—wise, symbolic, and deeply meaningful. They offer guidance, insight, and understanding beyond ordinary thinking.

IN THIS RETREAT YOU WILL

- ★ Remember and work with your dreams
- ★ Understand your personal symbols and themes
- ★ Receive and act on guidance for daily life
- ★ Learn within a small, supportive group

“

Your dreams are telling you something important. Learn to listen, understand, and act on what you receive.

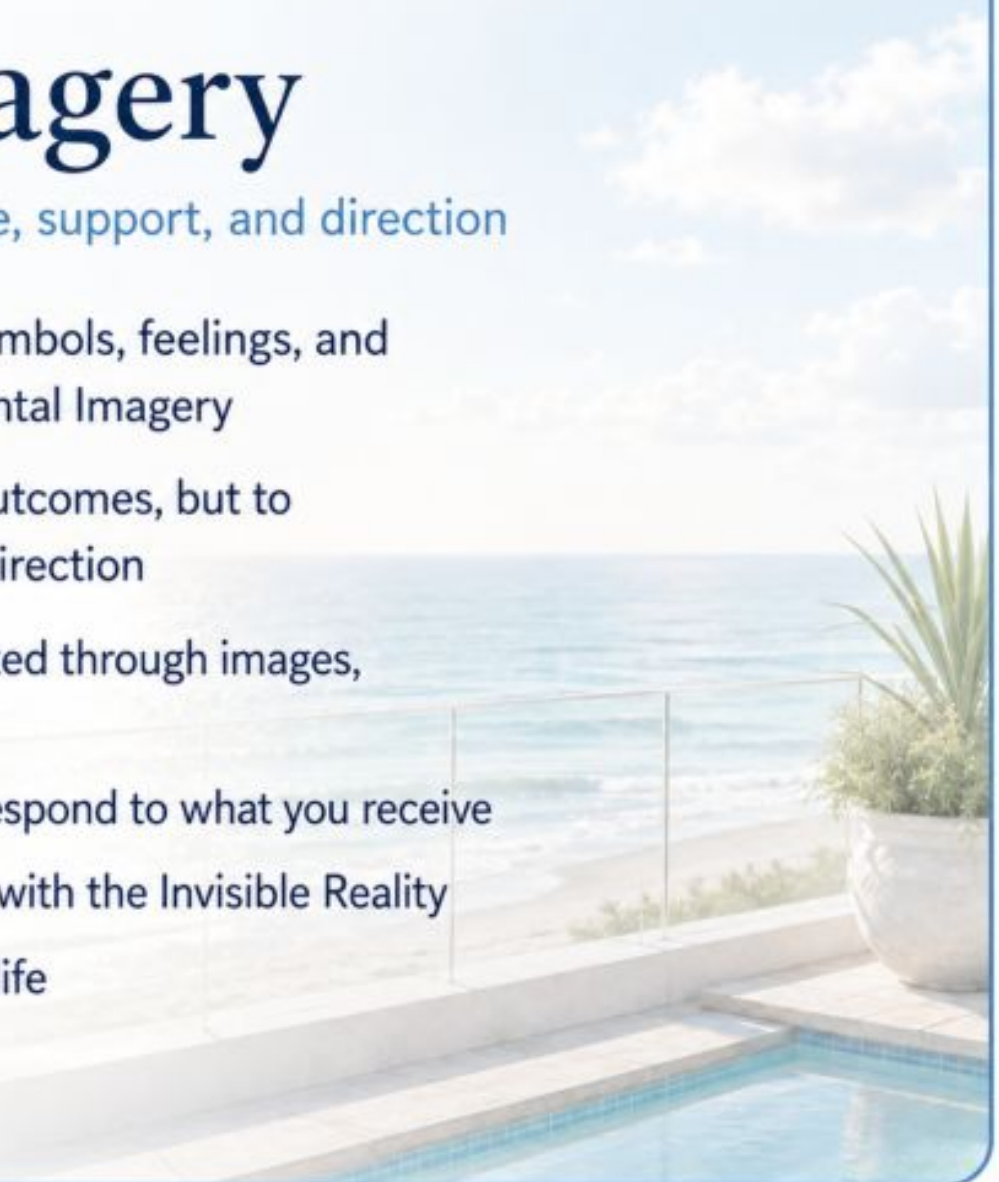

Mental Imagery
